Freshmen Observe

Elections, Receptions, Other Events On Program Of Freshmen; Students Making Initial Entry To State

All Incoming Frosh Eligible To Run For Class Offices; Urged To Take Part In School Activities

With so many things going on around them and so much to do, the new students are at a loss about where to go next. However, a definite program has been set up for them to follow in the next few weeks.

NOMINATIONS

A meeting for the nomination of officers will be held today at 12 noon in Frederic Burk auditorium. Student Body president Bob Sweeney will conduct the meeting.

Any incoming Freshman is eligible for class offices. Elections are held annually, and those elected will hold office for the entire year. These officers will have charge of the Frosh Hop and any other class activities.

ASSEMBLY

On Wednesday, February 14 at 2 p.m. the Student Body will hold an assembly in the First Baptist Church, Octavia and Waller Sts., for all new students. The faculty, student body officers, and the Parent-Faculty club will comprise the welcoming committee.

RECEPTION

Directly after the church assembly, students will go to the women's gym for the reception, with the A.W.S. in charge. This gathering enables the new students to meet the student body officers and the members of the faculty.

All new students will be invited to the Assembly and the Reception. Bids to the affair will be given out in the Orientation classes.

ELECTION

The election of officers will be held Wednesday, February 21. The student body office will be open from 9 a.m. to 4 p.m. and every low Freshman is requested to vote. In case of a tie, run-offs will be held, a majority vote being necessary for election.

This election will terminate the round of events for the Freshmen. Hereafter they will be on their own.

Noble Wins Sig. Alpha Eta Annual Scholarship Prize

Vernon Noble is the recipient of the Sigma Alpha Eta scholarship for the present semester. The winner was selected recently at the traditional dinner held by the honor society. The award amounts to $30, to be used only for tuition fees and books.

Vernon Noble is a music major working for the special secondary credential. A high senior, he is a member of the Music Federation, Kappa Delta Pi, Alpha Mu Gamma. Noble is the third winner of the Sigma Alpha Eta scholarship. The two previous winners were: Alexis Schelekov, Beta Pi Sigma; and Bog Wolf, Sigma Pi Sigma.

Sigma Alpha Eta is an honorary scholastic fraternity for men. Two scholarships are awarded each year to men students. Applicants for the scholarship must have at least a 1.7 scholastic average, low junior standing, and participation in extra-curricular activities.

Martin Promises

Chaser Designed To Wow Students

"Beginning with the first issue of 1940, the **Chaser** is going to be something designed for the cosmopolitans of the campus," announced Editor Jim Martin yesterday. "In common parlance, the next issue is designed for those who get around."

According to Martin, the staff has been greatly rejuvenated by the addition of Patricia Robinson,

PATRICIA ROBINSON
New Chaser Photographer

Fairmont Plunge diving star interested in astronomy and a hobby of photography. Miss Robinson formerly worked as a professional photographer for a local studio.

NEW TALENT

Another talented Stater joining the **Chaser** staff is Don Patton, a transfer from Jaycee. Martin thinks so much of Patton's ability that he was allowed to draw the cover design of the next issue.

Associate Editor Bob Buckley further promises readers a surprise in the content and make-up of the magazine. Two of the articles should be sensational enough to stir the whole campus, he commented.

WORK COMPLETED

Most of the work on the **Chaser** was completed yesterday at a meeting of the News Guild, the publishers. However there is still time and room for some more good material, if it is in by the first of next week.

Kappa Delta Tau Gets New Leaders

Kappa Delta Tau held its election of new officers for the coming semester at the last meeting of the previous term. The following officers were elected: Jean Van Arsdale, president; Thelma Rastad, secretary; Margaret Greer, dance manager; Trudy Strauss, stage manager; Helen Ashon, costume manager; Marion Cooper, music manager; and Bernyce Lotwin, publicity manager. The first meeting for the new semester was held Wednesday night, January 31, in the women's gym.

Voter!

All Elections Combined

New System Tried Out February 21 Election

Class elections are to be held February 21. For the first time all the classes will vote on the same day, it was stated by Joe Edelstein. Presidents Dorothy Foppiano, high freshman, Edelstein, high sophomore, and Bob Anderson, high junior are in charge of the procedure.

The position of Women Student's Representative, formerly occupied by Louise Vallarino, who has graduated, will also be voted for at this time.

It is the wish of the committee in charge that all students turn out for this election so that everybody may have a hand in the control of their school. Voting is to be carried on from nine a.m. to four p.m. and each person must present his student body card and have his name on the class list in order to cast a ballot.

Health Chief

Van Hagen Guest At P. E. Dinner

Winifred Van Hagen, chief of the Division of Health and Physical Education of California, will be guest of honor at the informal dinner of the Women's Physical Education club at 6 p. m. Monday, February 5, at Frederic Burk.

Miss Van Hagen will speak and lead the members in "mixers" at the first get-together of the semester. Dean Mary A. Ward, Dr. Edna L. Barney, Dr. Evelyn Clement and all the women's physical education faculty members will be present.

All P. E. majors and minors are welcome to the dinner and may purchase tickets for 55 cents in the gym or through P. O. Box 1922. Corinne Ketterlin is in charge.

Recently elected officers of the club to further professional ideals and interests in the fields of physical education for women include: Frances Young, president; Lucille Paulson, vice-president; Betty Hendy, secretary; Jean Madison, treasurer; and Florence Abraham, historian.

Bib 'n Tucker Make Plans For Semester

Plans for the new term were formulated at the first Bib'n Tucker club meeting yesterday in the Activities room. Re-elected President Elvira Huenergardt conducted the meeting. The new officers are: Rita O'Brien, vice-president; Rita de Andreis, secretary; Esther Regier, treasurer; Bernice Bianchi, historian.

The purpose of the club is to instill into the minds of the women students the need for more practical fashions for the schools wardrobe. No girls will join the club this term, instead the club will hold a tea for the alumni in February.

A fashion show will be presented early in March in order to show the spring styles before the Easter holidays. Everyone in school may attend this show.

FLASH!

BOARD OF PUBLICATIONS TODAY ANNOUNCED A RAZZ EDITION FOR APRIL FIRST.

WATCH FOR DETAILS LATER.

Radio Debate

Debaters Schedule Two Air Battles

State Meets Stanford California Tomorrow

The bigger they are . . .

Launching two verbal campaigns tomorrow night over two radio stations, the Forensic council sends its debaters against both Stanford and the University of California.

Clashing with the Indians over station KSFO at four o'clock, Arnold Vezzani and Dick Date defend the negative side of the subject, "Resolved that the war aims of Great Britain are justifiable."

MEET CAL

In the other debate, freshmen David Lull and Sam Dana take the negative side of their debate against the University of California frosh speakers, when they meet tomorrow night at five o'clock over station KROW to discuss the subject, "Resolved that the United States should aid Finland."

The radio debates were formerly limited to varsity debaters, and this is the first of a series conducted for freshmen teams, covering a period from January 27 to May 25.

SYMPOSIUM STYLE

These radio debates take the symposium style—combining the debate and the forum. This debate reaches no decision, and is designed to give the listening audience an anylsis, arguments pro and con, and an evaluation of contemporary topics of the day.

Vivian Fleming and Rudi Koller are both varsity and frosh debate managers, respectively. Invitation is extended to all students to participate in debating as an extra curricular activity.

NOTICE!

To all Class and Club Officers:

Please file a notice of any events to take place on or off the campus. Petitions will be available in the right hand draw of the Student Body Office. Your cooperation means a larger attendance of all school social events. . . .

Prior rights will be given to those organizations with petitions where there are any conflicting dates.

Peggy Smith, Vice-President

Registration

College Enrollment Comes Close To New High; Still May Pass Last Term's Total

PRESIDENT ROBERTS

Record Number Of Old Students Return; Two Changes In Personnel

To date, the spring semester enrollment has reached a total of 2,215 students, 97 less than the past semester, Lois L. Polanshek, assistant to the registrar, announced yesterday.

"Registration is still going on, and we have two more weeks in which to reach last semester's mark of 2,312 students," Miss Polanshek said.

1,542 OLD STUDENTS

Durnig the official registration days last week, 1990 students, including 1,542 old and 407 new were enrolled; limited students totaled 41. This is a record amount of returning old students.

The rest of the week figures have not been released yet.

PERSONNEL CHANGES

Two changes have been made in the personnel of the registrar's office this semester. Alice Rich has been promoted to the position of assistant registrar. She is succeeding Mrs. Emily Curtiss Ray who has retired. Margaret Meng has returned to the registrar's office after a two-year absence to take Miss Rich's place as assistant to the registrar.

Welcome Students

Dr. Roberts, Pres. Sweeney Give Greeting

Enthusiastic over the large enrollment this spring semester, Doctor Alexander C. Roberts greets the new students of the college with the following message:

"We welcome more than 500 new students into college for the spring semester. You come to us from scores of high schools, colleges and universities. We make you welcome and wish for you a happy and successful semester. May you find here exactly the college work that will best fit you for useful life. We shall need you and we hope that you will need the student body and faculty of this college."

Bob Sweeney, student body president, gave out the following message of greeting to all new students yesterday:

"May the time you spend here be the most happy, as well as the most profitable, of your life. We have democratic student government, and a large choice of social activities. Your interests can be fulfilled in some of our many activities here at the college. Help add to these by your participation."

"Sincerely,
Bob Sweeney"

Gater Cards

New System Of Gater Distribution This Term

Inaugurating a new system of distribution Golden Gaters were distributed today from two vantage points in upper and lower College Hall, fro mtwelve o'clock until three. For those who failed to call, papers may be secured Monday from twelve o'clock to one in the Gater office, room AA9.

After deliberating on the plan last semester the student Board of Publications put the measure through at their last meeting of the Fall semester. Upon the following factors lay the substance of their decision:

COPIES WASTED

(1) That approximately four hundred copies of the Gater were wasted by students each issue. This was figured over a period of time.

(2) That limited students, who did not pay their dollar subscription, were getting free copies.

As four hundred copies each issue represented a waste in triple figures each semester, it was decided to eliminate this loss and pay staff members of the Gater to distribute copies with the money thus saved.

NEED CARD

Booths will be manned each day of publication from 12-3. It must be remembered that no Gaters will be given out unless the card is presented at the booth. Those who did not receive their Gater cards may secure them in the Publications office. They cannot get a paper before securing one of these cards.

O Boy! A Dance

Spring Informal Plans Formulated By Sigma Pi Sigma

Sigma Pi Sigma fraternity are scheduled to open the semester's dance program with a Spring Informal next Friday night in the Women's gym.

"Sigma Pi Sigma is planning to present an affair of the highest caliber possible," announced Ed Barry, dance chairman. "We plan to exclude jeans, cords, and such so as to present a dance that the new students would expect of a college."

With the dance occurring only a few days from Valentine's Day, the committee in charge of decorations plans to adopt this motif as their theme. Fraternity president Jack Fischer promises that the gym decorations will be "really something".

While arrangements for music are not as yet complete, Benny Souza's band is tentatively listed to play.

Spanish Club Takes In New Members

Several new members were welcomed into the Spanish club at the first meeting this week.

A Freshman Reception is planned for early in the semester. Numerous teas and dinners will also be given at later dates.

NOTICE

PETITIONS FOR WOMEN'S REPRESENTATIVE OF STUDENT BODY MAY BE OBTAINED IN STUDENT BODY OFFICE. APPLICANTS MUST HAVE A C AVERAGE AND BE OF AT LEAST LOW SOPH STANDING

State Cagers vs. Aggies Tonite, Saturday

Winning Varsity Five Favored Over Mustangs In Two Game Series

Seniors of four years hence and a few transfer students are no doubt the only Staters who do not know of this season's successes of Coach Daniel Scott Farmer's brave bucketeers.

In order, is a review of the season for the benefit of these neophytes. Eleven straight wins was the record of the Galloping Gaters before they met up with a tough St. Mary's squad which wouldn't take no for an answer. State had taken the measure of the University of Nevada twice, then Nevada had soundly spanked St. Mary's twice. So, when our back was turned the Gaels bit us.

State's second loss, the same week, at the hands of the Young Men's Institute squad, was of a similar nature. Teams that State had roundly trounced conquered the Y. M. I., who came back to out-do State.

ST. MARY'S NEXT

The season, far from being over, contains five home games and four away. Tonight and Saturday evening, the California Aggies, dropping down from Davis, plan to work on State's pretty record. These games were cancelled, then uncancelled this week, all because the flu bug caught them flat-footed, but all is well and the games will be played.

Opportunity knocks at our door next Tuesday evening! State will play St. Mary's again! This means that the fast stepping gentlemen who represent State will be out after blood. The team will be backed by the tuneful San Francisco State band, our regular three cheer leaders and a rootin' tootin' student body.

February 9 and 10 the team travels to Chico to tangle in two games with the State College. The Chicoans made State look a little sad in a short unofficial game during the Cage Clinic held in San Jose in December. They are a threat to be watched.

IRON MEN

The last two home fracases will be February 16 and 17 against Humboldt State College. Paste these dates in your hat—or on your hair-ribbon. Then closing the year the team will go to Santa Barbara for two games February 23 and 24.

Who are the Supermen who make up State's stern stuff? Captain Ernie Loustalot, diminutive Junior, is possible the most tireless fighter on the squad in spite of his 130 pounds. Wise Coach Dan keeps him in action in forward position most of the time, and he is not one to go out of fouls.

Tall Tom Collingwood, center, is one of those gentlemen who slips under the net frequently to lay the ball in the bucket, and push up the score with his fingertips. Bob Russell, red headed forward with big feet, manages to get off the ground and cover territory remarkably. He plays a steady and consistent game, and has a couple of years yet to go.

VETERANS STRONG

George Thayer, Junior, is a good ball handling guard, an excellent feeder. Dave Kerwin, one of the few over six feet, has a keen basket eye from round about the foul circle. When he is hot, he is very, very hot.

Veteran standbys who serve as shock troops are stocky Bill Hammond, a Senior, Jack (Slip) Madigan, also a Senior, Augie Venturi, Sophomore, and four Frosh who are making strong progress. Boyd Harrold, Ray Ryall and Carl Gustafson, all tall boys out for center position, have seen action. Outstanding among the new crop, however, has been another little squirt, Emil Fanfelle. Fanny has proved a clever ball handler, fast on the break and with an eye for uncanny shots. With three years to serve yet of his sentence, he will bear careful watching.

'CINDER MEN LOOK GREAT' STATES COX

Issuing a call to all aspiring cinder stars for the coming season, Coach David J. Cox announced a sign-up rally to be held today in room 208 at 12:00 noon.

Looking forward with the optimistic eye of an office seeking politican, Cox calmly stated that from where he stood his aggregation of runners and jumpers, 1940 edition could be depended on for sparkling performances every time out.

CROSS COUNTRY MEET

To whip the boys into shape, the coach announced the preliminary test is tentatively slated for Friday, February 23, a cross country matter of some two miles. The exact location of the course is somewhat of a mystery, with the assurance only that it will be composed of a generous assortment of San Francisco's famed hills liberally sprinkled over with the hardest of concrete the city can afford.

INTERCLASS MARCH 2

The interclass meet, to be run off in Kezar stadium on March 2, will be his best opportunity for sifting and judging his talent said Coach Cox. A feature of the spring semester, the meet should prove a good testing ground for the new aspirants and the returning veterans.

Well bolstered by grizzled warriors of past track wars, Cox said his new squad will be further strengthened by transfers and brand, shiny new contestants.

Coach Cox asks that all men interested in the track and field sports sign up at their earliest convenience.

Gaters Seek Diamond Victory Over Gaels

Tomorrow at 2:30 the Moraga hills will be invaded by the State varsity baseball squad against the St. Mary's nine. The odds favor the Gaels since they have been playing all winter while this will be State's first contest after but a week of practice.

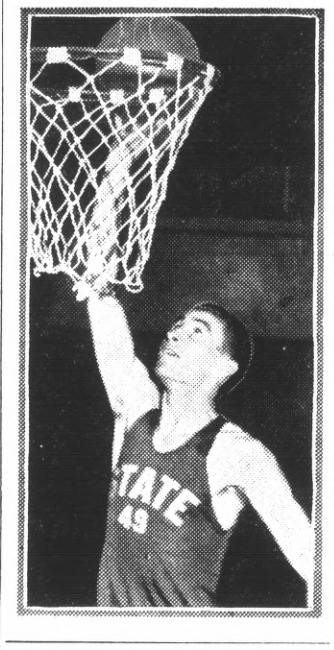
Coach Hal Harden is consoled by the fact that he can field a veteran squad in nearly every position. Only losses from last season are Don McRitchie, "Spider" Turner, and Dick Osborne, all of whom will be sadly missed.

Returning veterans are outfielder Walt Lagomarsino, infielders Dick Coshow, Jack Fischer, Bob Moore, pitchers George Mailho, Frank Haas, and catcher George Weekes. Two new-comers, "Stubby" Ahearn and Pete Mirande will give the veterans a hustle for berths.

Schedule for February

Feb. 3, St. Mary's at St. Mary's, 2:30
Feb. 7, Santa Clara at Santa Clara
Feb. 9, Mission High here
Feb. 15, Mission High here
Feb. 24, Bank of America here, 2:30
Feb. 29, U. of Calif. at Berk., 3:15

Long Tom Collingwood



Program For Intramural Sports Begins

Encouraged by the success of last year and the increase in the male enrollment, intramural athletics during this semester appear to be destined to go over with a bang.

Burdened with a heavy teaching load, Coach Dan Farmer will be relieved of his duties as director of intramural athletics by Don Kupfer, State's newest addition to the physical education staff.

Second important change is the organizing of the Intramural Board which will be official governing body of all intramural activities. The board will meet frequently to settle dates, activities, disputes, conflicts, eligibility rules, playing rules, and all other matters pertaining to intramural athletics.

The board will be made up of John Pichotto, chairman; Frank Jackson, George Weekes, Tom Collingwood, Marcus Davis, and Saul Simon.

Coach Don Kupfer will act as faculty adviser and each member, besides meeting regularly, will be in charge of an individual sport. Tentative plans call for Marc Davis to handle track and handball, Tom Collingwood in charge of basketball and horseshoes, Frank Jackson taking care of volleyball and tennis, and Saul Simon in charge of softball. John Pichotto will coordinate all activities and take care of publicity.

* * *

Tentative Schedule of Intramural Activities

Track Marathon—February 14-19
Cross-Country Run—February 23
Softball—February 26-April 5
Handball—April 8-12
Horseshoes—April 10-15
Track Olympics—April 16-19
Volleyball—April 22-May 10

Fencers Begin Season's Matches

State's baby sport, fencing, is now entering its second semester. Len Duckworth, coach, stated that last season was satisfactory considering the inexperience of the members. Bischoff and Duckworth will not be able to participate, but the latter expects to continue as coach.

A tentative schedule has been arranged, although the dates have not been decided. The team expects to fight the following schools: California, Stanford, Sacramento J. C., San Francisco J. C., San Jose State, Santa Barbara J. C., Funke Academy and the Italian club. The fencers who will participate in these bouts are Victor Vari, Roy Dison, Wallace Twichell, Norman Spicer and Bob Lee.

Gater Sports

Page Two — Friday, February 2, 1940

Basketball Needs Your Support

King Basketball, second only to football at State, goes into its final stretch with proud record and head held high. Twelve wins against two losses is the mighty record. Most games have been taken with scores of fifty points or more. The two lost were by four points and three points respectively. All this adds up to the apparently obvious fact that we have a winning team backed and supported by a loyal and enthusiastic student body. Yeh?

We are shame-faced to admit that a goodly hundred souls of our 2,300 student body have enjoyed watching our basketball team in action. This handful has seen some good ball played; has thrilled in tense moments when scores were close; but left in the cold are a great number of students—and faculty, we may add—who don't know what enjoyment they are missing.

Let's attack this question in a positive manner. Negative criticism never solved anything. Therefore let us announce here and now—

1. Our excellent band, resplendent in their colorful uniforms, will provide us with pep and entertainment for at least two of the three big home games left this season.

2. Our three cheer leaders will also be on hand in uniform to exercise our lungs and vocal chords.

Next big date then is Kezar Court, next Tuesday eve, when the speedy Gaters again tackle that surprising St. Mary's outfit.

145's Seek Eleventh Victory Against Club Outfit Next Saturday

S. F. State's '45's, coached by Dick Boyle, chalked up their tenth win in fourteen attempts last Wednesday eve, when they subdued the Golden Gate chapter of AZA by a score of 51-42. The baby Gaters have been beaten only by Balboa and Mission highs, in their first two games of the season, Washington high, A.A.A. threat, and S.F.J.C., with whom they broke even.

Saturday night the 45's will encounter the Olympic Club 145's, who are reportedly a top notch outfit. With the return of Phil Stolz and Archie Steinback the team will be in good condition. Stolz and Steinback have been out of action of late due to injury to his ankles suffered in practice. Also bolstering the team will be the addition of several new players. Among them are Larry Margolin, Frank Grannucci and Ed Castro.

TOUR TO UKIAH

A two-day basketball tour emanating at Fort Bragg, and culminating at Ukiah will be the highlight of the season for the team. The trip is scheduled for February 16 and 17.

Potentially, the 45's are the best that the school has turned out in many a moon. Coached by Dick Boyle, the team presents a definite threat at any time and are expected to give their opponents a tough battle. The team that in most probability will face the Fort Bragg squad will be comprised of Wally Young and Choy Wong at the forward positions, and Arch Steinback at the pivot post. Harriman and Ferguson will hold down the starting guard berths.

HOPEFUL CAGERS

Among the hopefuls anticipating the trip are: Wally Young, Arch Steinback, Leo Fredrickson, Fred Ferguson, Niel Harriman, Fred Schwartz, Choy Wong, John Peterson, Neil Carew, Phil Stolz, Fred Bender, John Carey, Ken Kim and Alex Edelstein.

Wagner Enrolls

Harold Wagner, who needs no introduction to tennis followers, will wield a racket for the Gater varsity this season, bolstering the team immensely.

Mat And Kayo Artists Ready For Action

Swinging into action this week, State's boxing and wrestling squads take on the San Jose State and central Y.M.C.A. teams according to Don Kupfer, mat and ring coach.

Meeting the San Jose team today inaugurates the mat schedule with the leather pushers boxing the Central Y.M.C.A. on February 9, both cards slated for the Y gym.

A practice set of bouts against the Stanford squad is scheduled for March 6 for the boxers, and preliminary arrangements are being made to attempt the formation of a California colleges tournament. George Bogdanoff, former State student, and now coach at Hoopa Indian school in Northern California, has asked for a meet on March 25 or later.

Encouraged by the turnout thus far, Coach Kupfer looks forward to a successful season although he pointed out the fact that State's team is entirely novice and not quite ready to compete in Senior meets.

Guy Swannack, Fairbanks, Mario Machi and Dick Chinn look particularly impressive in work-outs said Kupfer, with many of the other candidates showing up well.

Swimmers Report

Three swimming matches have been lined up by Coach Hal Harden thus far and since the varsity squad has not been determined as yet, Harden urges all men interested in inter-collegiate swimming competition to report to him immediately.

Schedule for Swimming Meets

February 10—California Freshmen
February 16—Stanford Freshmen
March 7—San Jose State College

Coca-Cola had to be good to get where it is... the drink that people the world over enjoy...winter ...summer...every day in the year. Its clean, exhilarating taste brings a happy after-sense of complete refreshment that everybody welcomes.

International

Crusade Modernized

Conquer the Infidel! Save Jerusalem! These are not just medieval slogans, nor sermons from medieval pulpits, they are part of today's second World War ravaging Europe. Premier Daladier of France has caught the torch of the ancient Crusades and is wielding it over the Allies to whip them into a frenzy to crush the heretic, Germany.

Yea, complete with the Papal blessing as in the case of the gallant knights of yore carrying the banner of a holy crusade is this modern warfare and propaganda. Bend down, brethren, or Goebells will get you if you don't watch out.

Yet, one wonders with all this hope and trust of the Allies that God the Almighty will wield a sword against the Germans, what has become of the Commandment, "Thou shalt not kill!"?

Thor versus God, in a magnificient display of fireworks.

National

Bulldog Bites

To be or not to be—a third term. President Roosevelt brings back the old policy of watchful waiting, whether for the betterment of the United States or no remains to be seen.

Old John L. Lewis, C.I.O. titular leader, roared in the President's pink, shell-like ear that he was biting the hand that fed him. That is, John L. was. Labor has never enjoyed such prominence nor such power as it has during the present administration. Even Harry Bridges was exonerated. And Old John L. refuses to support the New Deal.

He did do one thing which was to lop off a few supporters of Roosevelt. By calling Garner a "poker-playing, whiskey-drinking, evil old man", John L. gave Garner about ten million votes that he never would have had.

And if that doesn't get him, Dewey will.

State

Worm Turns Green

Beseiged by the "Thirty Thursdays", nagged by Lt. Governor Patterson, defeated by the legislature, silver-haired Culbert Olson, grandiose governor of the State, and benefactor to this College spent a most hectic year in his high office.

Recently his efforts to raise money by taxes to support reliefers and the State in general were smashed to bits by the extra-session of the state legislature. Bi-partison political leader Gordon Garlund, newly elected speaker of the house, gathered together his cohorts to stave off the huge indenture of Olson's program. There is something about it decidedly reminiscent of the Lousiana fiasco. The worm has turned.

But Olson turned first.

Campus

Go Get 'em Gaters

Trooping back to the campus this week are some two thousand Staters raring to go back to the books, or is this too hasty? Freshmen, newly painted and spotlessly shining, will wonder in awe at the upperclassmen, not knowing that they, too, in a few years can become sophisticated.

Movement is afoot to resort to the primitive method of swatting a few bottoms in order to hasten the process. The Gater has and always will contend that the quickest way to produce ill feelings, and breed dissent, is to swat a few poor innocent babes.

Fear not, freshmen, stand up for your rights. This is an educational institution fostering the privileges of a democracy, not a barbaric mill.

You can't gather flies with vinegar.

Kampus Kapers . . .

by Jean Deckman

Hello, and welcome!!!

Isn't it a grand and glorious feeling to have finished finals and graduations? Now, everyone is all ready to whip into the amazing intricities of a new term. With those three "V's", Vim, Vigor and Vitality fairly oozing out of every student the spring term can't help but be a success.

REGISTRATION

What a welcome relief it was to actually be able to go through the trouble of registering with nary a hitch. The old students hailed the new system of pre-registering with a whoop of joy, and the newer ones seemed to have no trouble at all in finding the numerous program stations and desks.

It's funny, but the old timers around these parts were the ones who asked the most questions about where to go next. The minute they received their receipts from one of Mr. Nee's loyal helpers, the ever-present question, "Where do I go now?" popped up. The newcomers have the dazed expressions (with apologies), but the big-shots are those who can't find their classes.

HIGHLIGHTS OF REGISTRATION

"Slip" Madigan tantalized the poor Frosh girls by asking them whether they were married or engaged, and believe it or not received serious answers. **"Wee Winnie" Regier,** found the method of "Nov Schmoz Ka-pop" directing the most efficient. She merely pointed on down the line with her thumb and let them gropingly figure out which way she was pointing.

Peter Mirande was so busily grinning at a certain young lady that it is doubtful just how much work he completed. While, on the other hand, **Stan Wilson** ignored all because he was so wrapped up in a game of "Battleship" with **Guido de Ghetaldi.**

GAZING AROUND

The number of post boxes in lower college hall has grown so that it takes ten minutes to even find your box—and then it's empty.

Roland Ingraham, former Stater and composer of the long-past musical, "The Character", so forlorn in the co-op. **Louie (Jeepers) Quartararo** sprawling all over one of the booth benches forcing **Bob (All A's) Wolf** to stand up.

Aren't those holes in the co-op wall a disgrace? Too bad the Executive Board doesn't ever notice them and take the proper steps to have them repaired.

Such a long line in front of the counselor's office indicating that not everyone has ceased having a program headache.

Quite a confab various members of the faculty were having in front of the offices the other day. Instructors from every course seemed to have been well represented.

CLUBS

As the term has just started, not much is happening in the club world. To date, the members of the debating club are the only ones showing any life, but even their office, Annex A 7, is peaceful compared to what it usually is. "Screw-ball Village," as the music department was so named by one Mr. **Sherman** Grant, is also serene.

Famed Musician To Serve As Instructor In Music Dept.

Joining with him fame, renown, and an abundance of snowy-white hair, Dr. Wesley la Violette has accepted the post of visiting faculty member on the music department staff. Hailed as one of the nation's foremost contemporary composers, Dr. la Violette comes to us with a distinguished record. He served for ten years as associate director and dean of the theory department at Chicago Musical College where he worked with famed Rudolf Ganz. For five years succeeding that, he was professor of music at De Paul University in Chicago.

Having composed successfully in opera, symphony and chamber music style, Dr. la Violette is best known as a modernist. He is called in many circles "The American Stravinsky".

"What do we know of velvet breeches and court dances?" queries la Violette. "Those are not things of our age. Our life is Radio, Automobiles and Industry. Our music should be a part of it."

His most famous accomplishment is his book, "Music and its Makers", which sold 50,000 copies in its first year of publication.

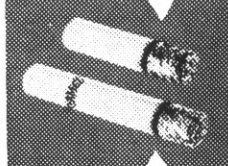
"I GET EXTRA MILDNESS EXTRA COOLNESS EXTRA FLAVOR in slower-burning Camels," says Bill Corum, famed sports writer and columnist

LIGHTNING-FAST in the press-box! Why, Bill Corum's been known to file 3,000 words of sizzling copy during a single big sports event. But no speed for him in his smoking—slower-burning Camels are Bill Corum's cigarette. He likes that extra mildness, coolness, and flavor.

Here's Bill at work in the quiet of his office. Bill...typewriter...books ...pictures...and *Camels—slow*-burning Camels. "I find them milder and cooler—and thriftier," he says. And, being a Camel fan of many years' standing, he ought to know.

FAST BURNING—creates hot flat taste in smoke...ruins delicate flavor, aroma...



SLOW BURNING—protects natural qualities that mean *mildness, thrilling taste, fragrance* ...a cooler smoke...

BILL CORUM'S sports news isn't just printed...it's *sprinted*...at lightning speed from press-box to press. But when the camera catches Bill in his office with a cigarette—"No speed for me in my smoking," he says.

His own common sense and smoking experience tell him what scientists have confirmed in their research laboratories—that "slow-burning cigarettes are extra mild, extra cool, fragrant, and flavorful." Cigarettes that burn fast just naturally burn hot. And nothing so surely wrecks the delicate elements of cigarette flavor and fragrance as excess heat. The delightful mildness, coolness, fragrance, and flavor of Camels are explained by this—Camels proved to be the *slowest*-burning cigarette of the sixteen largest-selling brands tested! *(The panel at right explains the test.)*

In recent laboratory tests, CAMELS burned 25% *slower* than the average of the 15 other of the largest-selling brands tested—slower than *any* of them. That means, on the average, a smoking *plus* equal to

Parent Faculty Invites Parents To Join Organization

Of particular interest to the parents of the many new students is the organization of the parents and teachers, known as the Parent-Faculty Club.

The purpose of this club is to aid the faculty members and the parents to get to know one another and to work together to bring about improvements and cooperation in the school. The meetings take place once every month in the Activities room of College Hall.

Founder's Day will be celebrated at the first meeting of the new term, Wednesday, February 7, in Frederic Burk auditorium. On Wednesday, February 21, the members will be present at the Freshman Assembly in the church and will take part in the Reception afterwards in the gym. Then, on February 28, they will sponsor a cake sale which will no doubt be well received because the cakes will be home made.

These are just a few of the activities of this club to take place in the near future. Many more things have been planned and for this reason all parents are invited to attend the next meeting and see what an interesting group the Parent-Faculty Club really is.

NOTICE

Golden Gaters will be distributed Monday in Gater office between 12 and 1.

New Members Swell Ranks Of News Guild Chapter

Application of 14 new members was approved by the News Guild yesterday, bringing the total membership to 30. All persons interested and active in journalism are invited to apply for membership in the San Francisco State College chapter of the American News Guild.

Next meeting will be held in the Activities room on Tuesday, February 13, beginning at 7:30 p.m. At 8:30 p.m. the meeting will be thrown open to all students interested in listening to the guest speaker, Mr. Robin Kincaid, who is the Chief of Public Relations Bureau of the S.R.A. Mr. Kincaid was war correspondent in Russia during the Revolution and will discuss his experiences there.

Current officers of the Guild are Edwin Poole, president; Bob Buckley, vice-president; Fred Bender, secretary; and James Martin, treasurer.

Newman Holds Open House Tues.

Speeding up the social calendar where it left off last semester, the Newman Club will launch its spring activities with an Open House next Tuesday afternoon from 4 to 6 in the club rooms at Sienna House, 350 Buchanan St.

Both new and old students are urged by President Wade Brummel to enjoy an afternoon of informal hospitality at the Open House. New students will have an opportunity of meeting the Club chaplain, Rev. Gerald Geary, Newman officers, and several members of the faculty. Refreshments and dancing will be featured.

Cowell Invites All Students To Forum

You are, no doubt, as prospective teachers or otherwise, concerned with the present day world crisis. Listen, then. The place to go, to become well informed, is the Forum for International Affairs which is held every Thursday noon at 12:30 in room 208.

Mrs. Cowell, head of the group says that if you want to watch history in the making, this is your opportunity. She further states that a 15 minute presentation of the news of the week will be presented at each meeting, followed by questions and discussion.

"It has been said by Colman Cox, well known slogan writer, that "If you want to find out what is wrong with the world, do not ask those that are wrong."

Former State Student Gets Director Post

Recently, Albert Girard, alumni of State, was appointed Director of Dramatics in Oakland high school.

He was actively connected with the Little Theatre here. One of his best performances was the lead in "Ghosts" playing opposite Lillian Collins, who is now teaching in a private School for the Deaf.

They both specialized here in speech work. Girard later secured his secondary certificate from the University of California at Berkeley, while Miss Collins entered the field of teaching the deaf.

Handbooks Distributed To Freshmen Students In Orientation Classes

Freshmen who have been wondering about the various extra-curricular opportunities offered to State students will soon receive the official handbooks containing thsi information in the Orientation classes.

The handbooks, or "Freshman Bibles", not only tell about the clubs, sororities, and fraternities, etc., but also all about class officers, sports, Student body activities, the Franciscan and Gater faculty, grading, A.W.S. and W.A.A., A.M.S., faculty, and the school songs and yells.

These little books are small in size and therefore easy to carry. They are invaluable to all students and can be referred to whenever anyone is in doubt about any of the aforementioned activities.

NOTICE!

A compulsory meeting of all members of the Golden Gater staff will be held at 12:30 p.m. Monday in Annex A-8. New sign-ups and beat assignments will take place at that time.

Get Notice Before Starting N.Y.A.

"No N.Y.A. students are to start working untiil they have received official notices," Dean Mary A. Ward said today.

Dean Ward explained that the student's scholarship records are to be checked. Only those with a "C" average in at least three-fourths of their work will be permitted to hold the jobs.

There are very few job vacancies but N.Y.A. applications will be accepted gladly. These can be be filed in Dean Ward's office, College Hall.

Pierce Elected New Alpha Omega Prexy

Alpha Omega, service sorority, held their annual formal installation dinner Friday night, January 19 at the Mark Hopkins Hotel. The new officers are Bette Pierce, president; Lucille Murphy, vice-president; Tillie Rastad, corresponding secretary; Ruth Graves, secretary-treasurer; and Gerry Polite, historian.

Following the dinner the girls met their dates in the lobby and spent the rest of the evening dancing.
